

Approvals

Learn how to manage event approvals on the SEMS Platform

Approvals in SEMS allow administrators to manage and approve events, event updates, organisation updates, and profile updates submitted by organisers and users.

 **Prerequisites**

You must be a SEMS administrator to access approvals features on SEMS.

Ensure you have the necessary permissions before proceeding.

Accessing Approvals

Go to the SEMS Approvals Page under the Admins tab in the navigation menu.

Approving Events

On the Approvals page, navigate to the "Pending Events" tab to view a list of events pending approval.

Update Approvals

Review and manage pending approvals and update requests.

Organisation Updates

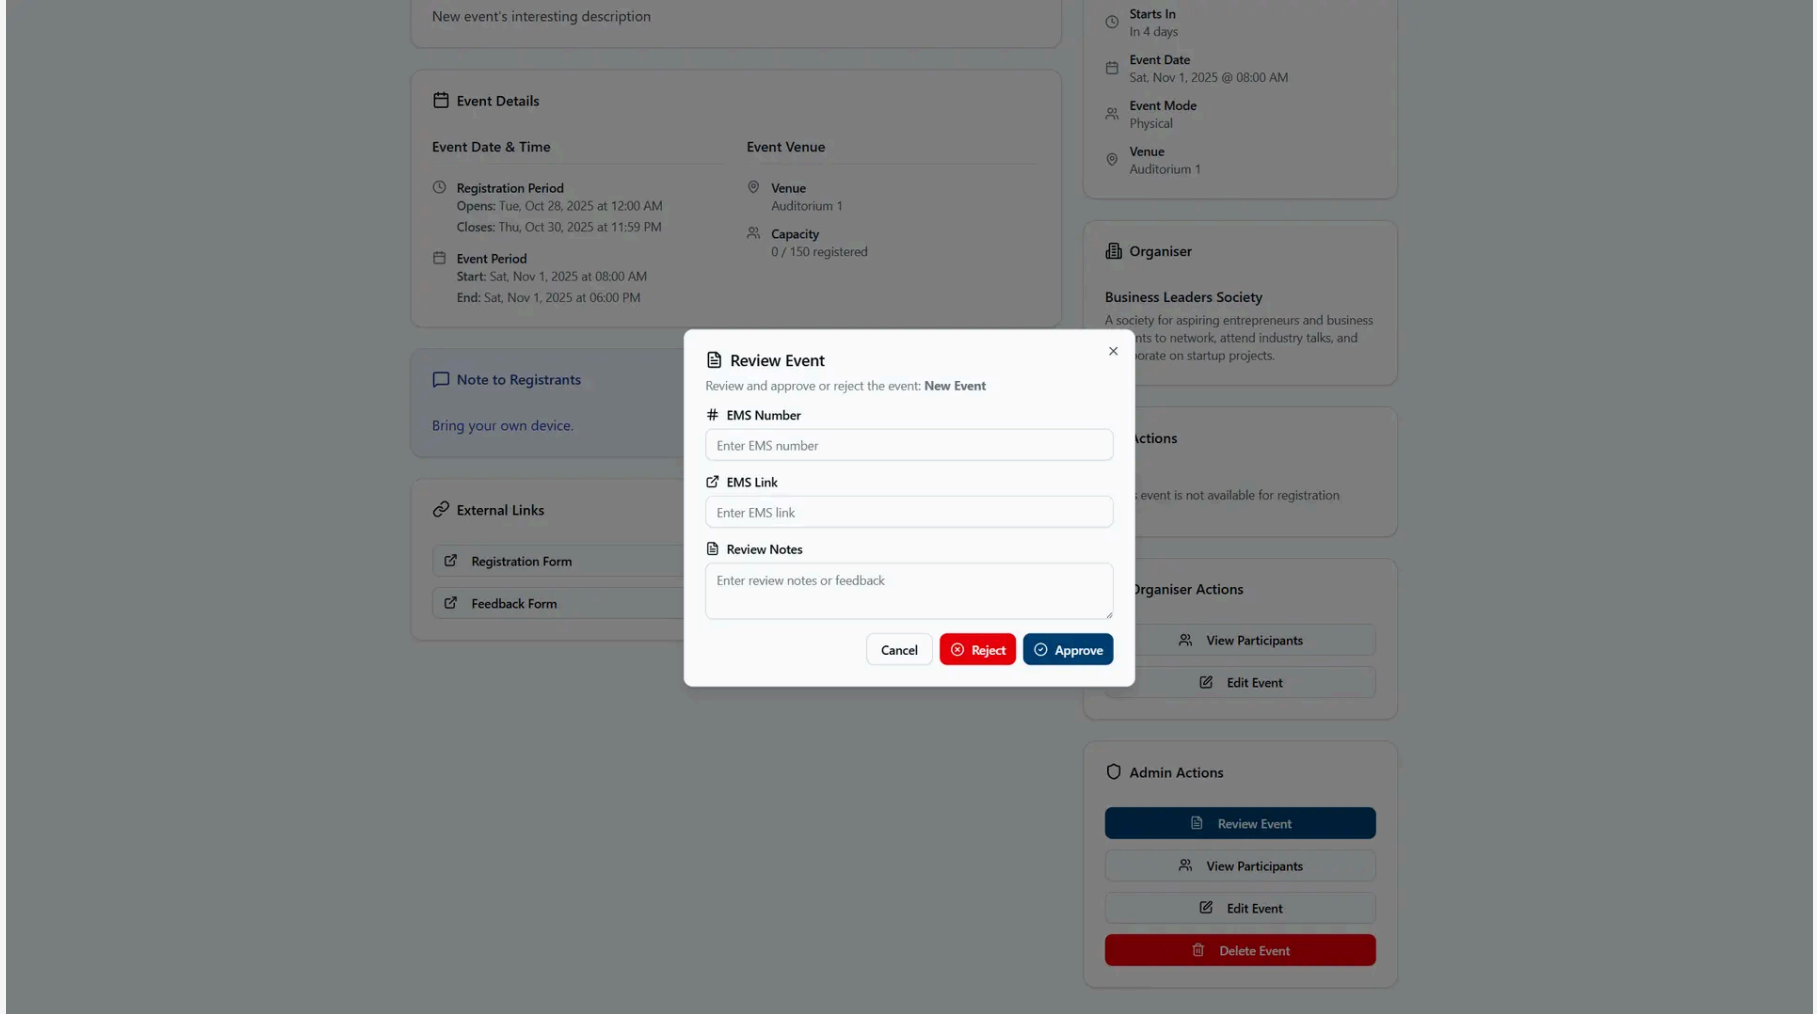

Profile Updates

Event	Organisation	State	Start Date	Registrations	Actions
New Event	Business Leaders Society	Pending	Nov 1, 2025, 08:00 AM	0 / 150	View

Click on "View Details" for an event to see more information about the event submission.

From the event details page, click on the "Review Event" button.

You can either approve or reject the event by clicking the respective buttons.

Note

SEMS administrators should fill up all necessary fields before accepting the event. SEMS administrators can also provide feedback or reasons for accepting or rejecting the event during the review process.

Approving Event Updates

On the Approvals page, navigate to the "Event Updates" tab to view a list of event updates pending approval.

Click on an event to expand and view more information about the event update submission.

After reviewing the changes, you can either approve or reject the changes by clicking the respective buttons.

Update Approvals

Review and manage pending approvals and update requests.
