

# Managing Organisations

Learn how to manage your organisations on the SEMS Platform

## Prerequisites

You must be a SEMS administrator to access organisation management features on SEMS. Ensure you have the necessary permissions before proceeding.

## Accessing Organisation Management

Go to the SEMS Organisation Management Page under the Admins tab in the navigation menu.

## What You Can Do

Admins can manage organisation details, memberships, and permissions across the platform.

For more detailed steps on managing specific organisation aspects, refer to the [Managing Organisations](#) guide.
